

Call for Applications

European Pain School at the University of Siena 2023

Neuro-immune Interactions in Nociception, Pain and Itch

10-17 June 2023

University of Siena, Certosa di Pontignano, Siena, ITALY

Topics

- Macrophages and Schwann cells interacting with nociceptors in disease models
- Somatosensory and autonomic neuronal regulation of the immune response
- Neuro-immune interactions in models of rheumatoid arthritis
- Molecular architecture of somatic and visceral sensory neurons
- Cross-talk between epithelia, immune cells and sensory neurons
- Nociceptive Schwann cells in pain and itch
- Autoimmune aetiologies of chronic pain
- Resolution pharmacology for the control of pain and itch
- The vagal antiinflammatory reflex and vagus nerve stimulation
- Neuronal interactions with microbes in pain and host defense

Scholars

Young scientists at the Ph.D. or postdoctoral levels in all fields of pain science and pain medicine are encouraged to apply.

Applications

Exclusively online at <https://EuropeanPainSchool.eu>

Deadline: 13 February 2023

School Board

Anna Maria **Aloisi**, *Director* • Giancarlo **Carli**
Pierangelo **Geppetti** • Marzia **Malcangio**
Peter **Reeh** • Manfred **Zimmermann**, *Honorary member*

Faculty

Anna Maria **Aloisi**, *Siena, Italy*
Ofrit **Bar-Bachar**, *Medoc, Ramat Yishai, Israel*
Carlo **Belliemi**, *Siena, Italy*
Giancarlo **Carli**, *Siena, Italy*
Isaac **Chiu**, *Boston, MA, USA*
Patrik **Ernfors**, *Stockholm, Sweden*
Zsuzsanna **Helyes**, *Pécs, Hungary*

Marzia **Malcangio**, *London, United Kingdom*
Davide **Martelli**, *Bologna, Italy*
Federico **Montechiaro**, *Ugo Basile Srl, Gemonio, Italy*
Romina **Nassini**, *Florence, Italy*
Peter **Reeh**, *Erlangen, Germany*
Ru-Rong **Ji**, *Durham, NC, USA*
Emanuele **Sher**, *Eli Lilly, United Kingdom*
John N. **Wood**, *London, United Kingdom*
